

THE AWARDS

The Awards are the **first business awards of their kind** – demonstrating how profitability can go hand in hand with responsibility, sustainability, and impact.

They celebrate **outstanding contributions** to innovative and sustainable industries, honouring businesses and individuals who demonstrate excellence.

The first-ever award ceremony takes place at UNIDO's **Global Industry Summit 2025**, hosted by the **Kingdom of Saudi Arabia** with high-level participants from 173 countries.

The Awards will be the start of a lasting **global platform** to build long-term partnerships.

Open to **businesses, start-ups, institutions and individuals** shaping tomorrow's solutions.

FOR THE FUTURE OF INDUSTRIES!**

OUR MISSION

Everyone dreams of a prosperous future. Modern industry can be the engine – by bringing together **economic, social and environmental sustainability**.

Around the world, a new generation of leaders is reshaping industries with their passion, breakthrough innovations and commitment to transformation across borders.

To promote these solutions for the industries of the future, the United Nations Industrial Development Organization (UNIDO) introduces 2025 the **ONE World Sustainability Awards**.
